VINYL

Upholstery

We use only the best quality vinyl proven over many years and **ALL** feature an anti microbial additive to help prevent cross infection.

All coverings are vinyl and washable, being fire retardant to BS 7176, BS 5852 part 2 (crib 5) and display excellent levels of wear. ALL include patented anti microbial technology proved effective in inhibiting the growth of E-Coli and Staphylococcus Aureus (MRSA), and all are suitable for cleaning and disinfecting with NaDCC based products.

Note: Unless specified BEIGE will be supplied.
